ASTOUNDING ANTARCTICA

AN EXPEDITION THROUGH DRAMATIC ICE LANDSCAPES, WILDLIFE-RICH CHANNELS, AND THE DYNAMIC ECOSYSTEM OF THE 7th CONTINENT

* A Polar Expedition in the Footsteps of Shackleton & Scott *

Cornell University

Dear Alumni, Parents, and Friends,

Join us for a truly life-changing adventure to experience the boundless beauty and pristine vastness of Antarctica. This remote continent and its precarious waterways have hosted some of the most valiant explorers in history, and have been the scenes of both triumph and tragedy since Captain Cook first sailed the region in 1773.

Embark from Ushuaia, Argentina, and cruise through notorious Drake Passage to the South Shetland Islands amid the Antarctic Peninsula—exploring the dramatic landscapes and remarkable wildlife that call this continent home. Trek through penguin rookeries, observe vast flocks of seabirds, learn about Antarctic ice conditions, and discover the sites of both past and present scientific expeditions.

Your vessel for this amazing journey is the 114-passenger *Sea Spirit*, a nimble craft designed specifically for polar cruising—with stylish and comfortable cabins, exceptional amenities, and a knowledgeable and friendly crew. Her small size provides the ability and agility to maneuver narrow channels and make various landings, and access bays that are closed for bigger ships. The ship also features an ice-strengthened hull and fin stabilizers for smoother sailing.

With significant savings of more than \$2,000 per couple, we anticipate this program will fill quickly, so be certain to reserve your spot today and share this brochure with family and friends who may be interested in traveling with you. Please reserve online at <http://cornell.orbridge.com>, by calling (866) 639-0079 or by returning the enclosed reservation form.

Warmly,
