

CAU Summer 2024

Adult Agreement and Release Acknowledgement

In consideration of the opportunity to participate in the Cornell's Adult University (CAU) Summer 2024 program, scheduled from July 7-20, 2024, I hereby acknowledge and agree:

1. That my participation in this program will require transportation to and habitation in Ithaca, NY and may involve risks relating to or arising out of program activities as described in the schedule, but not limited to these.
2. That I understand that there are risks inherent in such activities and I have been apprised of such risks and agree to assume all said risks and responsibility for my health, safety, and property while participating in this program.
3. To release Cornell University, its trustees, officers, agents, and employees from any and all liability, damage, or claim of any nature whatsoever arising out of, or in any way related to my participation in this program, including but not limited to acts of God, acts or omissions of any third parties except such as may directly result from the negligence of Cornell University, its officers, agents, or employees.
4. To indemnify and hold Cornell University harmless from any damage or liability incurred by Cornell University as a result of any illness or infirmity I may suffer, including the costs of any medical care, or any injury or damage to the person or property of others which I may cause, or for any financial liability or obligation which I may personally incur, while participating in the program.
5. That Cornell University shall not be responsible for acts or omissions on the part of providers of transportation or operators of facilities described in the program.
6. That the passage contract in use by the providers of transportation concerned, when issued, shall constitute the sole contract between the providers of transportation and the participant.
7. That Cornell University and its agents reserve the right to make any changes in the published schedule whenever, in their sole judgment, conditions warrant, or if they deem it necessary for the comfort, convenience, or safety of a CAU program. They reserve the right to withdraw without penalty any CAU program announced. Cornell University also reserves the right to decline to accept any person as a member of a CAU program, or to require any participant to withdraw from a CAU program at any time, when such action is determined by the appropriate Cornell staff representative to be in the best interests of the health, safety, and the general welfare of the program group or of the individual participants. Baggage and personal effects are the sole responsibility of the owners at all times.

I, being at least 18 years of age, certify that I have read the preceding agreement and that I join the agreement without reservation, granting my consent to all actions provided herein. By my signature, I recognize my responsibility for reading, understanding and abiding by the conditions printed in this document. I further recognize that I will not be exempted from these conditions because of ignorance, negligence, illness, or other personal factors, or contradictory advice from any source.
